Dear Mr. Zaplitny:

I would like to thank you for your help during the planning stage of my recent documentary "Michigan's Green Energy Economy." Your contacts in the field of renewable energy were invaluable.

I also want to wish you continued success with your efforts to promote energy efficiency through your work with MTI and Michigan Green. As you know, we need both supply side and demand side solutions to our current energy issues.

Keep up the good work!

Sincerely,

A handwritten signature in cursive script that reads "Dwight J. Brady".
